

BigBags: Covers

Tailor-made covers manufactured with our coated or uncoated fabric for numerous applications both for domestic and industrial use.

Our covers can be customized, with the printing of logos or claims, according to the needs of our client.

In addition, you also have the option to add to the design:

- Zipper: To facilitate the placement and opening of the cover.
- Grommets: to improve grip and fit.
- Ventilation system: to eliminate the possible condensation/humidity that can be generated inside.
